JAMBOREE STAFF UNDERSTANDING

I apply for a staff assignment at the 2005 National Scout Jamboree and will meet my responsibilities throughout the entire jamboree. I will conduct myself in accordance with the regulations of the Boy Scouts of America, participate in such preliminary jamboree training as may be required, carry out assignments given to me, and wear the official jamboree uniform. I realize that any departure from jamboree rules will constitute grounds for my dismissal from the staff.

In consideration of the benefits to be derived from my participation in the 2005 National Scout Jamboree, any and all claims against the Boy Scouts of America or its local councils; the United States of America; or any of the officers, employees, agents, or other representatives of any of them; or any other persons working under their direction or engaged in the conduct of their affairs, arising out of any accident, illness, injury, damage or other loss or harm to or incurred or suffered by the applicant named or to his or her property, in connection with or incidental to the 2005 National Scout

PAYMENT OF FEES

For all jamboree positions other than jamboree unit leaders, the 2005 National Scout Jamboree fee (see schedule at right) will be requested at the time the letter of appointment is sent to the applicant. Jamboree staff members will pay their own transportation to and from the jamboree, and will agree to participate in appropriate prejamboree training.

Applicants who have been selected for jamboree assignments will return fees as follows:

MEDICAL REQUIREMENTS

Weather at the jamboree is very hot and the activities very strenuous. Therefore, it is <u>very important</u> you drink plenty of water at the jamboree.

Physical Examination. All participants must submit certification of physical fitness on the official Personal Health and Medical Record Form, No. 67-34412. Maintenance of good health in a jamboree camp is of utmost importance, and it is with this objective in mind that the following must be enforced. (1) Participants will be expected to get a complete examination by a licensed health-care practitioner. (2) It is recommended that the examination take place not less than 15 days nor more than six months before the departure to the jamboree. (3) Participants will go through a medical screening upon arrival. In the event a staff member is found medically unfit at this time, he or she cannot serve and must return home at his or her own expense.

Immunizations. Immunization requirements are based on recommendations of the U.S. Public Health Service. All participants must provide proof of immunization for tetanus within 10 years (since 1995). In addition, youth participants must provide verification of the following immunizations since birth: (1) measles, mumps, and rubella (MMR); (2) trivalent oral polio vaccine (TOPV) (four doses recommended); and (3) diphtheria, pertussis, and tetanus (DPT).

Exceptions to Immunization on Medical Grounds. If there is a medical reason why you should not comply with vaccination requirements, obtain a statement to that effect from a physician. That statement must include specific reasons, so it can be given full consideration by the jamboree medical staff.

Medical Alert. A national jamboree can be an exhausting experience. Many activities are physically strenuous and may result in special medical support consideration. Therefore, it is necessary that the medical staff be aware of participants who have physical conditions that may require special consideration. Conditions requiring a medical alert are

Jamboree, including preliminary training and travel, are hereby expressly waived by the applicant.

This application includes my request for personal accident insurance to be purchased on my behalf. The cost of this insurance is included in the jamboree fee. It is understood that payment of claims by the insurance company or companies is contingent upon prompt reporting of claims, if any, by the participant.

I understand that the jamboree will be covered by news media and moviemaking and broadcasting companies, and I hereby consent to the use of my voice and/or likeness in the news coverage, moviemaking, or similar projects approved by the Boy Scouts of America.

I further agree to complete the 60-minute Youth Protection training, submit evidence of fitness to make this trip on the official health form signed by a licensed health-care practitioner, and obtain immunizations required.
