Please don’t use this worksheet during the troop meeting. You are not grading the troop’s performance. You are only looking for ways to help. The form suggests how you might address any deficiencies. Plan your strategy before discussing it with the Scoutmaster or others in the troop. Remember you are the troop’s friend and your job is to help them to be successful.

Under each category, circle the number of the statement that most closely resembles the troop meeting.

1 = Nearly an ideal situation
2 = Typical unit, could be improved
3 = Weak situation, needs action

To profile these statements on the Unit Profile, place a dot under the number you circled for each category. To form a profile, connect the dots with a line.

Check the ways you intend to help by dating the appropriate boxes (bottom half of this page and reverse).

Keep this form with the unit roster.
