# OVERVIEW

*Boys' Life* magazine is the official youth publication of the Boy Scouts of America.

The mission of *Boys' Life* is to entertain and educate America's youth, and to open their eyes to the joyous world of reading. This is accomplished through a proven mix of news, nature, sports, history, fiction, science, comics and Scouting.

## CUB SCOUT DEMOGRAPHIC VERSION

Since September 1995, *Boys' Life* has published two versions – one for Cub Scouts and one for Boy Scouts. The Cub Scout version focuses on the developmental reading needs of Cub Scout age subscribers. It contains eight to twelve special pages (substituted for a similar number of pages in the Boy Scout version) modified especially for Cub Scout age readers.

“The Cub Scout version of *Boys' Life* contains something for every boy age 6 to 11 – word games, cartoons and puzzles; sports profiles of young athletes; pack activities – articles and activities that interest our young readers. They also receive most of our regular lineup of action-packed articles and columns, Boy Scout adventures and humor. With the Cub Scout version, *Boys' Life* reinforces its commitment to be the ‘magazine for all boys.’”-J.D. Owen, editor-in-chief, *Boys' Life* magazine.

### CUB SCOUTS WHO SUBSCRIBE TO *BOYS' LIFE*:

· **Stay in Scouting longer than non-subscribers.** The most recent finding by Globe Research Corporation reports that, on average, *Boys' Life* subscribers stay in Scouting 2.5 times longer than non-subscribers.

· **Advance in rank faster and more often than non-subscribers.** The advancement rate for *Boys' Life* subscribers is more than twice that of non-subscribers.

· **Are more active in Scouting events than non-subscribers.** Surveys taken at council Scout shows pointed out that 85 percent of participants are *Boys' Life* subscribers. **This percentage seems to hold true regardless of the council-wide percentage of *Boys' Life* subscribers.**

· “The decision to publish a Cub Scout version of *Boys' Life* magazine represents a strong commitment by the BSA to your son's success in Scouting.” -Jere Ratcliffe, Chief Scout Executive, BSA (retired).

At \$9.00 per year for a subscription – this is a tremendous bargain! Initial sign-up fee of \$8.00, plus a \$9.00 subscription fee for 12 issues – the cost is still only \$17.00!

**What a Value!!  
This averages 75¢ per issue!!**

## Your Son, Scouting, and You

As a parent, you want your son to grow up to be a person of worth, a self-reliant, dependable and caring individual. Scouting has these same goals in mind for him. Since 1910, we have been weaving lifetime values into fun and educational activities designed to assist parents in strengthening character, good citizenship and physical fitness in youth.

Scouting IS family values. However, Cub Scout age boys do not join just to build character. Boys join Cub Scouting because IT IS FUN!!

### ***SCOUTING IS FUN WITH A PURPOSE!***

Statistics show that over the long term, boys and young men who have experienced Scouting's programs are more likely to have success in school, career and family, as well as stronger ethics and better relationships with others. For example:

- ◆ Boys with 5 or more years in Scouting (98%) are more likely to graduate from high school than those who never were Scouts (83%).
- ◆ Former Scouts (40%) are also more likely to be college graduates than non- Scouts (16%).
- ◆ Thirty-three percent of men who were Scouts for five years or more have household incomes of \$50,000 or more, compared to 17% of non-scouts.

## Tiger Cubs, BSA Program

Tiger Cubs, BSA is an exciting program for first-grade boys and an adult partner. Tiger Cub dens meet 2-3 times monthly and follow the Tiger Cub Motto of "Search, Discover, Share." The Tiger Cub den has four to eight families as members, and each family takes turns hosting a meeting or outing. Each meeting is based on a theme that the group selects in advance, which is found in the Tiger Cub Handbook.

The Tiger Cub den is led by the Tiger Cub den leader (one adult member of the den). Tiger cubs will take part in the monthly pack meetings, where all of the dens and their families come together for fun, recognition, and fellowship.

# How Cub Scouting Works

## **Scouting is Family Oriented**

Activities are intended for the whole family  
You work with your son on his advancement award requirements  
Many skills he will learn are family oriented

## **The Cub Scout Den**

Your son is a member of a Cub Scout den  
The den meets once per week  
The den is led by a den leader (usually a parent)  
The den leader usually has an assistant den leader, a den chief (a Boy Scout helper),  
and a denner (a Cub Scout elected by den members)  
Den meetings have games, crafts, songs, ceremonies, and lots of fun

## **The Cub Scout Pack**

Your son is a member of a Cub Scout pack  
A pack meets once per month – all Cub Scout families attend  
The pack meeting is led by the Cubmaster  
The pack meeting is the highlight of the month's den meeting and activities  
Pack meetings have games, song, skits, stunts, ceremonies, and presentations of  
badges that boys earned during the month

## **The Pack Meeting**

The pack is run by a committee of volunteer parents  
The pack committee is made up of all den leaders, the Cubmaster, and parents  
The pack committee is led by a chairperson  
The committee plans den and pack meetings around the monthly theme  
The committee selects leaders, performs record keeping, manages finances, finds  
meeting places, orders badges, maintain pack equipment, helps train leaders, and  
recognizes leaders

## **The Chartered Partner**

The pack is “owned” by the chartered partner, usually a school, parent association,  
religious organization, service club, or other organization interested in helping youth  
The chartered partner approves leaders, provides a meeting place, and operates the  
pack within their own guidelines and the guidelines of the Boy Scouts of America  
The chartered organization selects a representative to serve as liaison between the  
pack and the organization

# The Advancement Plan

The responsibility for a boy's advancement in Cub Scouting lies with the family and not with the pack. Some advancement requirements are done at den meetings, but most are completed at home with the family.

## Tiger Cub

Boys in 1<sup>st</sup> grade are part of the Tiger Cub program. They work closely with their adult partner to accomplish activities in their handbook. Recognition is immediate. Beads are presented at the den meeting and are worn on a leather belt totem. After completing all 15 parts of the five achievements, the Tiger Cub has earned the Tiger Cub Badge.

## Bobcat

All boys, regardless of age, earn the Bobcat badge first, by learning the Cub Scout Promise, Law of The Pack, handshake, salute, sign, motto, and meaning of "Webelos." After receiving the Bobcat badge, the boys work on requirements based on their grade level.

## Wolf

A Cub Scout who has completed first grade (or is age 8) works on twelve achievements to earn the Wolf badge. After he earns his Wolf badge, a boy may work on electives in different interest areas until he is old enough to begin work on the next rank.

For every ten electives he completes, the boy earns an *Arrow Point*. The boy may earn as many Arrow Points as he wishes.

## Bear

A Cub Scout who has completed the second grade (or is age 9) works to complete twelve of twenty-four achievements to earn the Bear badge. After he earns his Bear badge, a boy may work on electives in different interest areas until he is old enough to begin work on the next rank.

For every ten electives he completes, the boy earns an *Arrow Point*. The boy may earn as many Arrow Points as he wishes.

## Webelos

(Webelos is from the phrase "We'll Be Loyal Scouts")

When a Cub Scout has completed the third grade (or is ten years old) he joins a Webelos den, led by an adult Webelos leader. The boy works on requirements for the Webelos badge, twenty activity badges, and the *Arrow of Light Award*. The Arrow of Light Award is the highest award in Cub Scouting!

Camping and outdoor programs are an important part of the month Webelos program. In February of a Webelos Scout's fifth grade year, he graduates from Cub Scouting into the adventure of Boy Scouting at an impressive graduation ceremony. Every boy deserves an opportunity to be a Boy Scout.

of the eighteen  
fifth grade year,

## How Can You Help?

Scouting operates through volunteer leadership. Volunteer leaders are an example of Scouting principle of service to others. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to serve Scouting, but also to serve your son and his friends, and to have the chance to be a positive influence on the youth in your community.

What does it take to be a volunteer? A long, rich background of Scouting involvement is NOT required! What is needed is a desire to work with and help young people, a willingness to make time in your weekly schedule, and the rest is easy! Lots of resources and training are available and many people will support your efforts.

### What Do You Receive in Return?

Being a leader is fun, challenging, and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talent and enthusiasm to Scouting:

- Fun and fellowship with other families, sharing your pride in the boys' accomplishments.
- The privilege of helping to enrich and strengthen families.
- A chance to help boys learn good citizenship and to help shape them into men who have strength of character and are sensitive to the need of others.
- The opportunity to help make a difference in the lives of boys as they grow strong in mind and body.
- A code to live by which will set a worthwhile example for both boys and adults.
- The satisfaction of being a member of a worldwide movement, and pride in being publicly identified as a part of this organization – wearing the Scouting uniform is a visible means of showing you believe in and stand up for the ideals and objectives of the Boy Scouts of America.

### **Advancement Chairman**

### **Parent Helpers**

Each year the pack will undertake many short-term projects. Parents are needed for activities such as pack fund-raisers (popcorn sale, pancake breakfast or similar events), Scouting For Food, Pinewood Derby, Blue and Gold Banquet, Friends of Scouting, pack graduation, day camp, etc. These jobs are of short duration and still enable all families to assist with pack responsibilities.

## How Can I Help?

The following positions all need to be filled for our pack to have a successful year. Would you please indicate your first four choices of committees and positions of service for the coming year? Some of these positions are short term and others are for the entire year. Each parent must be willing to assist in some capacity if our Cub Scout pack is to run effectively. Please fill out this page and turn it in tonight!
