Training

An important part of the Cub Scouting program is the training that is available to help new leaders have a successful and fun-filled program.

Fast Start training is designed to help get you started as a successful leader. The “Cub Scout Fast Start Viewer Guide,” along with the videotape for your position, will help you plan your first meeting by showing you what a meeting looks like and by explaining how it is designed. Fast Start training will also tell you about resources that are available to help you understand where you fit in the pack organization.
